

For sale 17th century farmhouse in Catalan style in the Baix Emporda area

Charming farmhouse on a 2 hectare plot with a pond and forest

O-1597 Santa Cristina d'Aro

Fantastic farmhouse from the 17th century. It has 2 hectares of land, almost flat, in which stands out the private pond that crowns a fantastic botanical garden that, cared for down to the last detail, becomes a marvel for the senses. It has its own wells and fountains. The views from the peiral house are fantastic, overlooking the surrounding mountains.

The peiral house has about 1,500m² built approx, which are distributed in 15 bedrooms and 8 bathrooms, 4 living rooms - dining room, cellar, fantastic terraces, service area ... In the summer area and highlight the cool porches that connect to the private pool, which will give way to the garden area.
