

Plots for sale in La Vajol

Plots for sale in La Vajol

These two plots offer beautiful views of the mountains and the Emporda.
On the outskirts of the village la Vajol there are two plots, each with 5000 and 6.000 m2, for sale. According to the urbanization plan, they can also be divided into plots. In this case, the minimum plot size is 400 sq.m. It is possible to build on 30% of the plot - on two floors and with a maximum height of 7m.
La Vajol is a municipality of the Alt Empordà located on the border with France, on the first flanks of the eastern Pyrenees, and its mountainous terrain is full of fantastic excursions for hiking or mountain biking.
Among its monuments of interest are the church of San Martín de La Vajol, a Romanesque church from the 12th-13th centuries, and the Coll de la Manrella, where there is a monument to Lluís Companys.
