

Great house in Empuriabrava to enjoy all year round and with many extras

Magnificent house very modernly renovated with 4 rooms and 3 bathrooms for sale in Empuriabrava

1954- A EMPURIABRAVA

Beautiful house in Empuriabrava with 4 rooms and 3 bathrooms on an area of 170sqm. The domicile has been completely renovated and updated in 2008. Outside there is enough space for the pool and a bathroom and a nice terrace with lounge and fireplace. There is space for several vehicles as well as bicycles and other things. There are 4 bedrooms, one of which is a suite with an adjoining dressing room and bathroom. The house has been fitted with double glazing and new doors with matching fitted wardrobes. Central heating and air conditioning is fitted in walls and ceilings. It is located approximately 900m / 10 min walk to the centre and beach of Empuriabrava. It is ideal for a family with children who need a lot of space. I would be happy to arrange a viewing appointment.
