

For sale commercial premises in Empuriabrava with great potential

Empuriabrava, commercial premises with the possibility of building 2 more levels for homes

Ground floor building in Avinguda Fages in Climent d'Empuriabrava for commercial use. Currently divided into three premises, it could be reunited for a single use in addition to a 151 m² terrace.

The property has 1100 m² and built 805 m², divided into the three main premises to be reformed, a limited space for future access to the floors of apartments, some auxiliary warehouses in the back yard and a covered porch on the main facade.

With great potential, according to urban planning regulations, it is possible to build two more levels of 330 m² each for housing without making any structural or foundation changes. The building has a reinforced concrete structure that allows these divisions (see neighbouring plot) With project, possibility of investment.
