

Land with 14 buildable plots, Llançà (Costa Brava)

Rare opportunity: a set of 14 urban plots for exclusive sale, with a total area of approximately 8,000 m², located in the municipality of Llançà, a few kilometers from the French border.

The area has just been fully serviced, allowing for the consideration of any construction project under the best conditions. The plots benefit from a privileged environment, with beautiful sea views and one of the most attractive areas of the zone.

These plots are intended for sale only as a complete lot (no individual sales).
A contribution of €114,808 is required to finalize the urbanization works.The sale concerns the shares of the company owning the land, the price is expressed excluding taxes.

An ideal collection for investors seeking a strong project in an exceptional setting.
