

## **Project: Plot with a modern 3** bedrooms house

Project: Plot + Modern house showcases a generous and light-filled living area, comprising a spacious living room, an open kitchen with a stylish island, convenient guest toilets, and a luxurious en suite bedroom on the ground floor. The first floor boasts a suite with a choice of a bathroom or dressing room, an additional bedroom, and a shared bathroom.

Outside, a stunning garden awaits, offering the opportunity to create your own oasis with the option to install a swimming pool or jacuzzi. The terrace provides a perfect setting for outdoor barbecues, while a convenient garage and parking spot complete the ensemble.
