

Apartment for sale 300 meters from the sea, private parking

Enjoy a light-filled living-dining room thanks to its excellent orientation and large window, which also gives you a glimpse of the sea. You can even hear the roar of the waves. Imagine waking up in a spacious and bright bedroom, an ideal space for rest. The apartment also has a second small bedroom or multipurpose room.

The sunny terrace with unobstructed views will be your favorite spot to relax. The private parking space is something highly appreciated in the area!

This apartment is part of a small, quiet community. It features custom-made furniture to optimize space and air conditioning for your comfort.

Just 300 meters from the promenade and the beach, its location at the end of a street guarantees maximum tranquility without the constant noise of traffic.
