

## Apartment for sale 500 meters from the sea, private parking

Enjoy a light-filled living-dining room thanks to its excellent orientation and large window, which also gives you a glimpse of the sea. You can even hear the roar of the waves. Imagine waking up in a spacious and bright bedroom, an ideal space for rest. The apartment also has a second small bedroom or multipurpose room.

The sunny terrace with unobstructed views will be your favorite spot to relax. Although there is no elevator, convenience is assured with a private parking space, something highly appreciated in the area!

This apartment is part of a small, quiet community. It features custom-made furniture to optimize space and air conditioning for your comfort.

Just 500 meters from the promenade and the beach, its location at the end of a street guarantees maximum tranquility without the constant noise of traffic.
