

Exclusive villa with spectacular panoramic sea views in El Port de la Selva

EL PORT DE LA SELVA: Discover this unique property located in a privileged environment in Cap. of Creus. This 178 m² villa stands out for its design that prioritizes panoramic views of the sea from practically all rooms. Sitting on a 592 m² plot, the house offers absolute privacy. The living-dining room, with high ceilings and large windows, opens onto a dream terrace with a private pool that seems to merge with the Mediterranean.

The sleeping area has four large bedrooms, including an exceptional master suite. Built with noble materials and luxury finishes, this villa is the perfect refuge for lovers of nature and the sea.
