

Mooring for Sale in Port Trébol – Santa Margarita (Roses)

For sale: a 6 m x 2.5 m mooring, located in the Port of Port Trébol, in the sought-after area of Santa Margarita – Roses. The mooring is equipped with water and electricity supply towers, and the pontoon pavement has been completely renovated. In addition, the planned improvement works for the entire port have already been paid for by the current owner – a great added value. It offers easy access and parking is available right next to it, making it highly convenient. This is a fully deeded mooring in full ownership, not subject to a concession, making it a secure and long-term investment. For more information, feel free to contact us – we'll be happy to help.
