

Luxurious, modern, and beautiful apartment with two bedrooms, one bathroom

Luxurious, modern, and beautiful apartment with two bedrooms, one bathroom, a living-dining room, and a terrace with beautiful views and gardens, a swimming pool, communal parking, air conditioning, and the possibility of a mooring for rent.

Equipped with all new, high-quality, and modern furniture in the bedrooms, bathroom and living-dining room, a kitchen with all the furniture and appliances, and air conditioning in the dining room that controls the entire apartment.

The building was built in 2001, and the current owners renovated and decorated the apartment and the furniture two years ago.

The apartment faces south-east, so it receives sun almost all day. There are unobstructed views of the pool, gardens, and green areas. There are two swimming pools, a large one for adults and a small one for children, with spacious, well-maintained terraces and access to the terrace of a beautiful gourmet bar and restaurant.

The building's facade is very well maintained and painted in a light, modern color. The maintenance of the property and its communal areas is impeccable.

The building has a concierge, maintenance staff, and video surveillance in the common areas, ensuring a sense of community.

The beach is 1,200 meters away, and supermarkets and public transportation are very close to the building.
