For sale: 4 parking spaces in Roses.

For sale: 4 parking spaces in Roses.

Four underground parking spaces are for sale located in the center of Roses, right next to the bus station, in a highly sought-after location.

The spaces are inside a small building, with practical and comfortable access via an elevator that connects directly to the parking.

A great opportunity for those who need a space in the area as well as for investors, due to its excellent location and high demand for parking in the center.
