

Commercial Premises

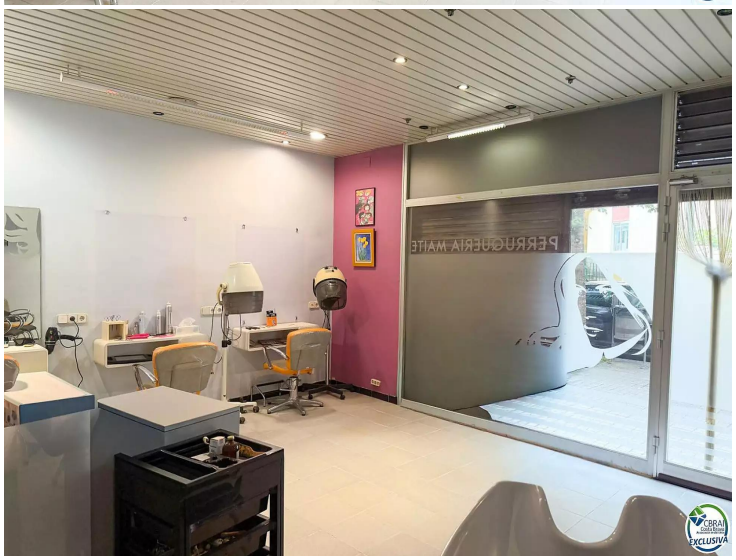

30 m² commercial premises located in the Marca de l'Ham area of Figueres. The property features an open-plan main space, a restroom, and a storage area, offering multiple possibilities for adaptation to suit different business activities. Located at street level, it benefits from a shop window and good visibility. Ideal for a retail business, office, professional practice, service center, or any activity seeking a functional space in a well-established and well-connected area. An excellent opportunity to start or expand your business.
