

25 m² garage for sale in Santa Margarita, close to the beach

Just steps from Santa Margarita beach, treat yourself to the comfort of a private garage in one of the most sought-after areas of Roses! With its 25 m², easy access and mezzanine offering valuable additional storage space, this garage is ideal for parking your vehicle while storing bicycles, beach equipment and leisure gear. Equipped with water and an individual electricity meter, it combines practicality and functionality for everyday use. No more parking stress during high season! A particularly attractive property on the Costa Brava, both for residents and for second home owners wishing to fully enjoy the Mediterranean.
